

#### SENIOR TUMBLING TEAM

The tumbling teams this season were coached by Don Robertson and Bill Norton, both veteran tumblers who grew up with these teams. Exhibitions were staged in the gym, at Berkshire Farm for Boys, in Schuyler School, and at Newark Boys' Club. The exhibitions last about 25 minutes and include flips, pyramid building, diving over pyramids and many other thrilling stunts.

The right hand picture of the cover designed shows the editor-in-chief flipping over some head stands. The object is to land on one's feet after diving.

The trampoline team, shown on page 21, travels with the tumblers and adds another 7 minutes of spectacular entertainment to each exhibition.
